Allen,

I don't have any record of this facility submitting groundwater monitoring reports since 2009, so they appear to be out of compliance with their reporting requirements.

We are conducting a CHR on the Washington County C&D Landfill Facility, Permit number 9404-CDLF-1996. Are you aware of any current compliance issues for this facility?

Thanks,
Allen

Please note, this email and any responses to this email will be going into Documentum to document the CHR process.
